EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney James A. Harrison on January 6, 2005.

The application has been amended as follows:

In the claims:

Claims 11-21 have been deleted.

In claim 22, line 7, the phrase "wherein the first frame error rate" has been changed to --wherein a first of the at least two target frame error rates --

In claim 24, the phrase "wherein the second frame error rate" has been changed to -- wherein a second of the at least two target frame error rates--.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

The prior art of records fail to teach or suggest the followings:

A wireless transceiver system, comprising (inter alias):

increasing or decreasing transmission power levels by a factor that is characterized by the equation of $N + \Delta$ according to whether a data transmission rate is

increased or decreased by a factor of N and wherein a logic defines the value of Δ so that it varies according to at least one of detected system conditions and system data transmission rates, as indicated in independent claim 1.

A method for determining whether to transmit power up or power down commands, comprising: transmitting power up and power down commands according to whether a calculated frame error rate for a received communication signal is higher or lower than a target frame error rate; and using one of at least two target frame error rates according to a data rate of the received communication signals wherein a first of the at least two target frame error rates is approximately equal to one percent, as indicated in independent claim 22.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
